## *Artist's Statement*

*Feather, small surprise among the blades of grass,  
a reminder that there is more to life than what I see.  
Taking a moment to see beyond the everyday,  
I pick it up and think of angels.  
A feather connects the spiritual world with mine.  
Who draws my eye downward,  
So that I look upward and know that God is with me?  
I smile knowing that I am supposed to be here.  
The memory of the feather stays with me.  
My step lightens, my heart soars.  
Eternity has been touched with a feather.*
