Most of our programs are offered rain or shine. In the event of severe weather, some guided walks and outdoor courses may be postponed or cancelled. If you are unsure about conditions on the day of your program, please call our Program Update Line at ext. 404. A message will be posted there one to two hours before the program is due to start. It is your responsibility to verify that your program is being offered; though we try, we are not always able to reach participants.
